dear editor, in 2016 i was the author of
paper coded : 47610, published in vol 11
number 14..

Now I can open <https://www.ripublication.com/Volume/ijaerv11n14.htm>.

But when i click on my article title

**"Optimization System for Indonesian
Steel Structure Using Genetic**

Algorithm and Sni 1726-2012" then it
linked to https://www.ripublication.com/ijaer16/ijaerv11n14_40.pdf but it
contained

" Not Found ----The requested URL
was not found on this server."

please inform me that it can be repaired
or something i have to do.

Best regards.
