To Mr. Tole Sutikno
Editor-in-Chief, TELKOMNIKA

I thank you deeply for the information that my paper is accepted. I have some questions:

1. Any revisions to the paper? Or can I make a little revision on the paper?
2. To be sure, Is my payment is IDR 4,199,000, - + (USD 50 x exchange rate x number of additional pages)?
3. If number 2 is yes, How much the exchange rate used. may it be the exchange rate at the time of payment in the bank?

Thank you for your answer.

Best regards,
Eko Prasetyo

Dear Sir/Madam,

Your email has reached my queues safely, so i will get back in touch with you there as soon as i can. Just a heads up i might not get back to you straight away, as i answer all emails in order to keep things fair.

How to submit your manuscript

To make a submission, you must have a user account and be enrolled as an Author. User accounts can either be created by the Journal Manager or you can register yourself (this journal policy allow you create user account by your self as a Reader, an Author and/or a Reviewer). All fields with an asterisk beside them (Username; Password; Repeat Password; First Name; Last Name; Email) are mandatory. Your username and your email address must be unique; furthermore, while you can change your email address at a later date, you will be unable to change your username. If you want to register in another role within the same journal (for example, if you are already a Reader, but also want to become an Author) you can log in; go to Edit My Profile (under My Account on your User Home page); and check off the checkboxes next to any available roles, near the bottom of the page. Once you have an account, log in to the journal site and select the role of Author. The Author is asked to upload a submission file and to provide metadata or indexing information. (The metadata improves the search capacity for research online and for the journal.) The Author can upload Supplementary Files, in the form of data sets, research instruments, or source texts that will enrich the item, as well as contribute to more open and robust forms of research and scholarship.

Your paper ID?

Please ALWAYS put your paper ID number in the subject line of email communication when making inquiries. For example, if your submitted manuscript URL: <http://journal.uad.ac.id/index.php/TELKOMNIKA/author/submission/1000>, your paper ID number is 1000.

Your cooperation is very appreciated.

Thank you

Best Regards,

Tole Sutikno
